

Shri Narendra Modi,  
Hon'ble Prime Minister  
New Delhi.

Respected Sir,

**Sub: Petition for Safety of Indian Seafarers stuck in the Persian Gulf,  
Strait of Hormuz**

Indian seafarers in West Asia are once again paying the human price of geopolitical failure. After the failure of Iran-U.S. talks, tensions have again escalated sharply, including new disruption to shipping linked to Iranian ports. Thousands of our Indian seafarers “key workers”, are stuck under dangerous and hostile conditions onboard or ashore awaiting safe repatriation to India.

We have complete trust on the Government of India under the leadership of our Hon'ble Prime Minister Shri Narendra Modi. We are aware and appreciate the efforts of the Government of India and the maritime administration. We demand that the Government of India to continue its diplomatic engagement with all relevant states in the region to secure safe passage, de-escalation, and humanitarian protection of our Indian seafarers.

Yours faithfully,
